Why are you sorry ?

I ... don't know. I guess I was just being reflexive !

What ~

"For a moment, I thought she was talking about me...

Anyway, what was that about?

Huh ?

I saw them together yesterday. I think they got together without letting you know ?

I wasn't going to tell you ...

N. nevermind.

Actually, I have something to ask you. Have you seen Ko-Young and Shin Te-...

My boyfriend together?

Anyway, they aren't having an affair or anything...

Even though they saw each other behind your back?

I am telling you... I knew about it ...

Then did you know that they watched a movie together ?

They did what ??

Sea? You didn't know.

Hup

How should I tell her... Neither of them is having an affair since, well, you know...

Why did he have to delcare that he was the boyfriend... gee.

Even ... if they met, I don't think Na-Young is that kind of person.

You never know ...

Hye-Ri.

Or maybe this is better ...

No need to get closer to her than we are now...

She will only have a bigger sense of betrayal anyway...

Na-Young is going out !

She has no classes today and I made sure that she has no more work from the student council.

Which means she is going out because she has a plan today...

My gut feelings are telling me that she is going out to see Shin Te-min !

if not, oh well. Doesn't really matter...

What is the dude thinking ...

He's making Na-Young misunderstood.

Ah !

Ehh ?? Where did she go ?

Why is he shadowing me ?
